v.
TERRELL OWENS a/k/a Dallas Cowboys NFL wide reciever,
Defendant

CIVIL NO: 07-5479

COMPLAINT

"42 USC 1983 / Owen the Eagles for damages / Terrell Terrorism"

comes now the Plaintiff, Jonathan Lee Riches©, in pro-se, under 42 USC 1983 and the whistleblowing Act. Owens was in a major conspiracy with the Dallas cowboys while owens was with the Philadelphia Eagles. During the 2004 season in November, Dallas owner Jerry Jones secretly met owens at Geno's steaks in South Philadelphia about Joining the cowboys. This is NFL tampering. Jones told owens, that when Dallas plays Philadelphia, Jones will arrange for Roy williams to tackle owens from behind to knock him out of the game. Then owens can blame Philadelphia for medical malpractice which would force owens off the Roster. Owens also tampered with McNabbs water Bottle putting Lunesta in it during the 4th quarter of the super bowl against the Patriots, thats why McNabb got tired. Owens has also been avoiding senator George Mitchell. Mitchell is being investigated for Acne on his back and mood swings that owens has. Owens owes the Eagles, this cheating cost me hundreds of dollars. I was in a Penitentary in Florida, and I betted on the SuperBowl, I loss because of owens abuse. I'm subjected to nightmares. I seek a 60 million dollars
